

CENTRAL UNIVERSITY OF GUJARAT
SCHOOL OF LIFE SCIENCES
GANDHINAGAR, GUJARAT – 382030

Date: Oct. 11, 2017

Applications are invited for one post of Project Assistant in Inflammatory Biology under a DST funded project. Project title: “Understanding biochemical and molecular link between obesity and Asthma”

Principle investigator: Dr. Umesh C. S. Yadav

Project duration: 2013-2018

Funding agency: Department of Science and Technology (DST), Govt. of India

Fellowship: Rs. 8000/- per month (Consolidated)

Essential Qualifications: M.Sc. in Biological Sciences with minimum of 55% marks. At least two years of work experience in the relevant area of asthma-related lung cell biology, hands on experience with primary human small airway epithelial cell culture.

Desired: (a) Experience in Air-liquid interface culture using primary human small airway epithelial cell culture. (b) Knowledge about cell signaling in inflammatory diseases especially related to asthma and its *in-vitro* models (c) Previous laboratory experience is a plus.

Note: The selected candidate will be appointed on purely temporary basis for a period of six months. Appointment may be terminated earlier by either party with a one-month advance notice.

Interested candidates meeting above requirements may send application indicating name, date of birth/age, nationality, postal and email addresses, essential/technical/professional qualifications, research work and experience, list of published articles, book chapters etc. along with signature, date and names of at least two referees.

General Instructions:

1. The selected candidate will be appointed purely on temporary basis for a period of six months.
2. Appointment may be extended depending on the satisfactory work performance as assessed by the project head or till the validity of the project, or whichever is earlier.
3. The selected candidate will directly report to the Principal Investigator regarding his/her work progress and project related matters.
4. The services will be required 5 days a week as per the University rules and also on the weekends, if deemed necessary.
5. In addition to the regular work, the selected candidate will have to perform other duties and responsibilities as may be assigned by the PI related to the project.
6. No other allowances are payable.
7. Short-listed candidates will be called for the interview and informed by email.
8. No TA/DA is payable to the candidates for interview. Date of interview will be communicated separately to screened candidates by email.

Application along with a brief resume should be sent on or before 20-10-2017 to:
