(i) Total Land allotted	Central University of Gujarat is functioning from temporary campus in two primary school building allotted by Government of Gujarat.
(ii) Main Campus covered area	
(iii) Off Campus covered area	

7. **Brief about the University :** Having been established through an Act of the Parliament in the year 2009, the Central University of Gujarat, with its jurisdiction over the entire State of Gujarat has been rendering yeoman service to the cause of higher education by catering to the academic, intellectual and professional needs of the youth of the State of Gujarat and across the country and to this extent it is contributing its mite in generating and providing requisite human resources that India needs to emerge as a vibrant knowledge society and economy on the one hand and a humane superpower on the other. With Hon.ble President of India, Sri Pranab Mukherjee as its distinguished Visitor, Prof Y.K. Alagh a renowned economist and educationist as its Chancellor and an accomplished academician and a seasoned academic administrator, Prof. S.A. Bari as its inspiring Vice Chancellor, the university has with it the kind of leadership it requires to see beyond its stated vision and stretch beyond its mission.

The University is driven by its vision of achieving excellence in higher education to empower the youth through knowledge, skills and values for inclusive growth and sustainable development of society as a whole as enshrined in its vision and mission statements. It seeks to establish itself as a centre of excellence and seat of intense and applied research with social relevance and commitment through integration of scientific and technological knowledge and skills with the basic human needs, ethos and values. The University endeavours to set a new benchmark in teaching, research and extension for creation of social and human assets, so that the students are endowed not only with requisite skill and knowledge but also imbibed with values and aptitude and responsiveness towards society, the country and the world at large.

The central University of Gujarat is committed to the mission of providing opportunities, occasions and avenues for access to quality education of contemporary relevance to enable and empower the youth to be in the mainstream

and eventually be in the vanguard of quest for innovations and technological breakthrough. This would help devise methods, means and measures to address and overcome the challenges the humanity is facing in the wake of recent trends toward globalisation and modernisation and the resultant intricacies and complexities of society, economy, polity technologies as well as situations emanating from them. The Central University of Gujarat, in addition to dissemination, is also wedded to the mission of creation of knowledge, refining it into practical wisdom, employ this wisdom to fabricate humane technology and advocacy depending upon the knowledge domain for amelioration and emancipation of humankind. The University seeks to turnout globally competitive graduates with requisite knowledge, skill, expertise and exposure to state of art technology and aptitude and attitude to adapt, adopt, adjust and excel.

The CUG is also conscious of the importance of developing entrepreneurial and scholastic abilities for creation of knowledge, wealth and prosperity for the country as well as peace and happiness for human beings. Being a central autonomous body, the University is mandated to set forth a model and follow as well as uphold the highest traditions of teaching, research, extension and outreach with a focus on overall development of the personality of the students to foster empowered and enriched human resource for the country. The courses and programmes offered by the University are in great demand by the society. Research in frontier areas like Internal Security, National Security, Cancer Biology, Environmental Sustainability, Industrial Chemistry, Social Management, Comparative Literature and Translation Studies, Cultural Studies and Literature etc. are very much in tune with the vision and mission of the University. Curricula of the programmes offered by CUG are applied and contemporary, updated and restructured to the changing requirement of the society and industry. CUG also strives to provide global platform for innovation, knowledge and employability to its students through society and industry interface to eventually promote excellence, equity and justice.

About Central University of Gujarat

Established by the Parliament of India through the Central Universities Act (2009), the Central University of Gujarat (CUG) considers its objectives to be the dissemination and advancement of knowledge. The University is committed to making special provisions for integrated courses, to educating and training

human resource for the country's development, to initiating appropriate measures for promoting innovation in teaching and learning, and to paying special attention to the improvement of the social and economic conditions and welfare of the people, especially their intellectual, academic and cultural development.

Motto

Providing a global platform for knowledge and employability to our students along with society and industry interface.

Vision

The vision of CUG is to establish itself as a centre of excellence with social commitment and to integrate modern, scientific and technological knowledge and skills with basic human ethos and values. The University shall set a model for teaching, research and personality development and create human resource with a sense of responsiveness.

Mission

The mission of CUG is to provide access to quality education, to create encouraging opportunities for students to tackle emerging innovations and technological challenges, and to acquaint students with the ethos of international competitiveness and leadership in thought and action. CUG is also conscious of the importance of developing entrepreneurial and scholastic abilities for the creation of knowledge, wealth and prosperity for the country as well as peace and happiness for human beings.

Objectives

The objectives of CUG are:

- Dissemination and advancement of knowledge by providing instructional and research facilities in various branches of learning;
- Making special provisions for integrated courses in humanities, social sciences, science and technology in educational programmes;

- Taking appropriate measures for promoting innovations in the teaching-learning processes, interdisciplinary studies and research;
- Educating and training human resource for the country's development;
- Establishing linkages with industries to promote science and technology; and
- Paying special attention to the improvement of the social and economic conditions and welfare of the people, especially their intellectual, academic and cultural development.

Ways to Achieve Objectives

CUG believes that its objectives can be achieved by providing access to quality education that is conscious of the three principles of Equity, Equality and Relevance in life.

1	14-15	Ramanujan Fellowship Project	Dr. Umesh Chand Singh Yadav	SERB	73,00,000 (Five Years)
2	14-15	Young Scientist	Dr. Rajesh Vasita	SERB	23,00,000 (Three Years)
3	14-15	Stereoselective synthesis of bicyclic gLactones and its application in total synthesis of hagens gland lactone, trans-Kumausyne and Kumausallene	Dr. L. Raju Chowhan	SERB	12,00,000 (Two Years)
4	14-15	Recharge Estimation and Geochemical Evolution of Groundwater using Multi - tracer Techniques in Overexploited Aquifers of NCR	Dr. Rina Kumari	SERB	20,91,000 (Three Years)
5	2012-13	Molecular diversity of begomovirus	DR. Achuit Kumar Singh	SERB	12,15,000 (Three Years)
6	2015-16	A transgenic approach to develop rice, accumulating lesser arsenic in grain and straw.	Dr. Manjushree	SERB	34,80,000 (Three Years)
7	14-15	Woman Scientist Scheme A (WOS-A) entitled "Studies of aminoglycoside-derived organic nanoparticles for novel therapeutics."	Dr. Smritilekha Bera	DST	19,60,000 (Three Years)
8	14-15	Emeritus Fellowship	Prof. E.V. Ramakrishnan	UGC	3,40,000 (Two Years) up to age of 70 Years
9	14-15	UGC-BSR Research	Dr. Prakash Jha	UGC	6,00,000 (Three Years)

10	2015-16	Delineation of groundwater potential zones using multi-band Remote Sensing Data and GIS for Sustainable Water Resource Management in Semi-arid hard rock terrain of Para Block, Puruliya district, West Bengal.	Dr.Paulami Sahu	UGC	6,00,000 (Three Years)
