

Awards

The top two students/researchers presenters will be awarded with 1st and 2nd Prize.

About Gandhinagar

Gandhinagar is the capital city of state of Gujarat located on the west bank of the river Sabarmati and nearly 22 kilometres from Ahmedabad. The city, divided in thirty sectors, is recognised as the greenest city in India. The main attraction in the city, which is otherwise the administrative township of Gujarat State, is the famous Akshardham temple located in sector 30, near CUG campus, the newly built Swarnim Park, Punit Van, and Step Well of Adalaj.

National Seminar on Immunological Advances in Health Management: Current Scenario and Future Perspectives

March 4, 2017

Venue:

**Seminar Hall, Academic Block,
Sector 29 Campus, CUG, Gandhinagar**

BiYom

2017

Organized By

**School of Life Sciences
Central University of Gujarat
Sector 30, Gandhinagar,
Gujarat, India.**

About Central University of Gujarat

Central University of Gujarat has been established by an Act of Parliament (Act. No. 25 of 2009), the gazette of India No. 27, published on 20th March, 2009 as a new Central University. The mission of CUG is to provide access to quality education and create opportunities for encouraging students to effectively engage with emerging innovations and technological challenges, international competitiveness and leadership in thought as well as in action. CUG is also conscious of the importance of developing entrepreneurial and scholastic abilities for creation of knowledge, wealth and prosperity for the country as well as peace and happiness for human beings.

About School of Life Sciences

The School of Life Sciences, established in 2010 in Central University of Gujarat, offers academic programs leading to M.Sc. and M.Phil./Ph.D. degrees in Life Sciences. The students are offered pre-M.Phil.-Ph.D. courses covering various aspects of advanced research in Life Sciences. The nature of courses are interdisciplinary, intricately integrated with subjects like chemistry, physics and computer science in view of close interface between biological and physical sciences. The school has well equipped Central Instrumentation Facility (CIF) to support the experimentation and high quality research. In addition, well-equipped laboratories to facilitate and conduct advanced research on mammalian cells, plant cells, bacteria and viruses. The School of Life Sciences will have the following programme for the Academic Year 2017-18: (i) Ph.D. in Life Sciences (ii) M.Sc. in Life Sciences

About the Seminar

This seminar aims to provide a forum for the Biologists working in the field of Immunology and Allied areas of Health Sciences, to present and discuss their latest findings. This event will comprise a wide range of plenary lectures delivered by Eminent Scientists and Academicians of India to inspire and encourage all the students and research scholars in their work, and to solve the problems encountered in their research work as well.

Major thrust areas of the Seminar

- Understanding Host-Pathogen Interactions
- Tumor Immunology
- Immunology of Neuro-inflammatory diseases
- Cellular and Clinical Immunology
- Immunology of Infectious Diseases
- Diagnostic & Therapeutic Immunology

Call for Paper Presentation

Abstracts are invited from PhD students, researchers and faculty members from Academic Institutions, Industrial and R & D houses on the above mentioned sub-themes of the conference not exceeding 250 words on or before 10th February, 2017.

Registration

The participants are requested to fill the registration form provided on this brochure, and submit the registration form along with the requisite fee (please pay online and submit the confirmation letter) payment by email to <biyom2017@gmail.com>. The registration form should include the title of the presentation for which specification has been provided in the format.

Registration Fee

Category	On or before 10 th Feb, 2017	After 10 th Feb, 2017
Faculty & Scientists	1000/-	1500/-
Student & Researcher	500/-	1000/-
Accompanying Person	1000/-	

*Registration fee is non-refundable and nontransferable.

Organizing Committee

Patron

Prof. S. A. Bari
Hon'ble Vice-Chancellor, Central University of Gujarat.

Director

Prof J.P.N. Mishra, Dean, SLS

Organizing Secretary

Dr. Umesh C. S. Yadav, Asst. Prof., SLS

Scientific Advisory Committee

Prof. T. Bagchi

Dr Prakash Jha

Organizing Committee

Dr Rajesh Vasita, Asst. Prof., SLS

Dr Sunita Patel, Asst. Prof., SLS

Dr Swati Joshi, Asst. Prof., SLS

Dr Nishant S. Junnarkar, Asst. Prof., SLS

Registration Form

Name.....

Designation.....

Institution.....

Mailing Address.....

.....
